

Coddington C of E Primary and Nursery School

11 February 2021

Dear Parents/Carers,

We have now made it easier to find and access the home learning resources. Book mark this link <https://drive.google.com/drive/folders/1zmm9tO84zDsHWoG7fJFPdaHjL4UHA3ZX?usp=sharing>

Please note that this will only allow you to view the home learning files. You will need to keep submitting your work via DOJO, Google classroom and Tapestry.

From tonight the Year group logins will no longer be available ,only the above link.

We hope this streamlines things for you all and helps to enable you to find the information you need quickly and easily.

Kind regards

Mr Head
