

Coddington C of E Primary and Nursery School

7 July 2021

Dear Parents / Carers,

Year 2 Building Works

I am excited to announce that we will be starting some improvement works in the Year 2 classrooms from Monday 12 July 21.

For Health and Safety reasons, pupils cannot be in the classrooms or in the vicinity while works are ongoing.

Between the 12 and the 23 July, children will be taught in the hall. This is unavoidable and due to the scale of the work, this will be ongoing during the summer break. We have made arrangements to ensure there is minimal disruption to the children's learning during this time. Only year 2 will have access to the hall during teaching time.

On the 26 and 27 July, the children will be taught in their Year 3 classrooms as part of the transition arrangements.

Kind regards

Mr Head
Head of School

Shining the Light of Learning
